Hospitality  
know-how

Looking for a fun event for all the family to enjoy? Then put this one in your diary. The National Hospitality Institute (NHI) is hosting its annual hospi-expo at Oman Avenues Mall over three days. The event aims to encourage young people to consider hospitality as a career. However, a host of fun activities are on offer for all ages. The event starts on August 25 with the official opening at 6.30pm, followed by a Chef's Demonstration, Mocktail Competition and more. Other days will offer bed-making, a barista competition and a waiter's race, as hospitality staff go up against each other. All three days run from 6.30pm-10pm.
