

## CERTIFICATIONS IN TRAINING AT NHI

Date: 10<sup>th</sup> March 2009 Publication: Y Magazine

# Recognition of Success at NHI

Celebrations were in order at NHI recently as several of their team received certificates in training from Kris Murali, managing director of CIEH (the accreditation body awarding the certificates).

Training was conducted by Julie Locke who is brought in from Europe twice a year to deliver this highly interactive training programme.

The content of the programme acts as a refresher to teachers on issues like lesson planning, timing, course content and methods of motivation. Kris Murali is in the Gulf region visiting several centres, which deliver his companies certificates. He was delighted to be able to time his visit for the presentation of the above certificates.
