

## NHI recognises achievements of its staff

There were several smiling faces at National Hospitality Institute (NHI) recently at a ceremony to recognise the achievements of its own team.

As many as 53 different certificates were handed out to the NHI team ranging from fire safety to train the trainer, asses-

sor qualifications, and many more.

The NHI team was delighted to be joined by Julie Locke, a consultant trainer who awarded the certificates.

Robert MacLean, principal of NHI said, "I am very proud of the NHI team and its achievements.

As a training institute, it is vital that we continuously train our own people so that they in turn can provide the best service to our clients."

NHI is the leading provider of hospitality and travel training in Oman and is the recipient of the Investor in People Award.
